

St. Martin's 'Weekly Bread' Aug. 2-8 2020

Where all are welcome to worship, to learn, to serve in the name of Jesus Christ.

VBS @ Home!

The Youth and Family Ministry team have been busy putting together something special for all our preschool/elementary/middle school families. Get ready for **Vacation Bible School @Home!**

Coming to you in a ready-to-go kit on August 8th, we are very excited to offer a curriculum that will help our kids and their families learn to listen to, focus on, and follow Jesus. The program is spread out over three days with activities, discussion guides, and videos so parents can guide their children from home. We will have kits available for every family and a few extras besides in case you want to share with a friend. So join in on the fun by picking up your kit on August 8th!

As noted below, **pickup time for 'VBS to go' (on August 8th)** will be from **9-11am**, and we will greet you with everything you need, similar to the Lenten bags we made this past spring.

Hymn for Sunday, Aug. 2

We Come to the Hungry Feast

1

We come to the hungry feast
hungry for a word of peace.
To hungry hearts unsatisfied
the love of God is not denied.
We come, we come to the hungry feast.

2

We come to the hungry feast
hungry for a world released

from hungry folk of ev'ry kind,
the poor in body, poor in mind.
We come, we come to the hungry feast.

3

We come to the hungry feast
hungry that the hunger cease,
and knowing, though we eat our fill,
the hunger will stay with us; still
we come, we come to the hungry feast.

From Lars --

Hello St. Martin's families!

I continue to pray for each of you as we continue to power through this pandemic. I wanted to give you a couple of updates on what's been happening!

First off, we have been working to provide Sunday School and Confirmation-aged kids with an opportunity to enjoy some Bible stories and activities, as a "VBS to-go" if you will. We will be distributing these lessons for you and your children to enjoy on August 8th at church. We certainly hope to see you then and are happy to provide this for all.

Next, our high schoolers had began discussing attending the upcoming trip to the ELCA **National Youth Gathering in Minneapolis** next summer. Due to the ongoing pandemic, this event has been **pushed back to July 24th-28th of 2022**. In regards to next summer's options, Next Step Ministries is already offering trip options for Summer 2021, which will be discussed further.

Please feel free to e-mail me if there are any questions at all. We are excited to provide learning material again for all of you and we hope that you have stayed healthy and happy. Try a new hobby! Reach out to an old friend! Most of all, appreciate those around you.

God's Peace,
Lars Haskins
Youth and Family Ministry Coordinator

Prayer List

Please pray for:

- Dane County and other communities who are seeing rising numbers of COVID-19 cases;
- Researchers and public health officials who are tracking outbreaks of virus and keeping our communities safe from disease;
- An end to the COVID-19 global pandemic, especially all medical teams and researchers who are still at work fighting the virus and finding a vaccine;
- Safety for all who celebrate national holidays and Summer weather, especially in their travels;
- Peace and recognition of dignity between the people of Palestine and Israel;
- Those who have passed away, especially Norm Esser and his loved ones;
- Those who are ill, hospitalized, or recovering, especially Bob Windels;
- Those who are home-bound, especially Irene Brockmann, Shirley Coulson, Lucille Hoffmann, Arline Schmidt, and Gary Trappe.

Community Challenge #2

How did you all do with the first challenge? Did you remember to spend time in your front yard? Did you find out anything new about your neighborhood?

*Well now it's time for your second challenge! **Make some chalk art!***

Get out some sidewalk chalk and draw/write on your sidewalk or street (look out for traffic!). Make some art or write a message to spread some cheer in your neighborhood. You can even surprise your neighbors by making some chalk art for them! Then, once you have warmed up your artist muscles, help us spread some cheer for our neighbors at Girlies Manor and Milestone Senior Living. Put on your mask and head on over to Girlies and Milestone to make some art and friendly messages for the residents to enjoy!

Chalk will be available for your use in plastic tubs located outside at both sites, or you can bring your own! Please respect social distancing and remain outside during this challenge. Residents will be able to enjoy your art through their windows. *Have fun and remember to check in with pictures and stories of what you learn on our Facebook page!*

WORSHIP

Worship will continue online only through the month of July. Although we had been hoping to gather for outdoor worship this month, the recent rise in COVID cases in Dane County along with the new order from the health department forbidding outdoor gatherings of over 25 people caused us to take a step back for the safety of our community. Council, Worship Planning Team, and Pastor Maggie continue to monitor the situation very closely and we will re-examine gathering for worship in some form next month. Until then, we encourage you to continue worshipping with us online.

JULY LETTER FROM PASTOR MAGGIE

Greetings to you, my beloved siblings in Christ!

This month marks one year of ministry together, and what a year it has been! We've worshiped together in new and creative ways, sang and prayed together, studied scripture together, and we've managed to do all this both within the walls of our building and from the sanctuary of our homes. Already, in just one year, we have redefined what it means to be "church" together! Though much of this development was due to circumstances beyond our control, I want to take a moment to acknowledge the effort you have all put into building our community together. You have managed to support each other through joys and sorrows, and you have done so much to proclaim Christ's love in our community even in these unprecedented times. Your ability to adapt to change and use challenges as opportunities for growth is undeniable. Wow. Truly, I am constantly humbled and amazed by you all.

As Paul said in his letter to the Philippi, "I thank my God every time I remember you." Your resiliency and strength give me hope and courage to continue in this ministry together. Our mission to share Christ's love and boldly worship our God has, I confess, felt like an insurmountable challenge at times during this period of social unrest, confusion, and a viral, unseen threat, but you have shown me that together we can do anything and your love reminds me always that God is with us, even in the most violent storm. For out of chaos, God created the world, and God is already creating something new and marvelous here at St. Martin's.

I am so grateful to be here with you, and though we may have had a wild start to the beginning of our journey together, I am so excited for what lies ahead. So here is to many more years of ministry together. Cheers and thank you!

Peace in Christ to you always,
Pr. Maggie

The historical roots of African American oppression run deep, as Ava DuVernay's documentary **13th** reveals. The film looks back to the ratification of Amendment XIII, which states, "*Neither slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the United States, or any place subject to their jurisdiction.*" DuVernay argues that a prison-industrial complex which statistically imprisons black men disproportionately and allows for their disciplinary servitude, has taken advantage of America's black population and brings into question if this system ultimately acts as a form of modern day slavery.

Facilitated by [Roderick "Rudy" Bankston](#), we'll meet virtually to view and discuss the film **13th**. Over three, 1½ hour sessions, we'll reflect on the legacy of slavery, the politics of mass incarceration, the representation of African Americans, and the stigma of being Black.

Why We Love St. Martin's!!!

Hello to my St. Martin's family. I'm hoping each and everyone of you is staying sane and healthy during this truly crazy time. I miss you.

Each year when we kick off a new stewardship campaign, our goal is to have something stewardship related each month of the year. We've been making some headway and I thought we had plans for April and May; but that was until we received our Stay-At-Home (SAH) orders and then my ideas dried up. Does that sound familiar? Were you like me, the first week of the SAH, you got a lot of work done at home. But then week 2 came around and somehow the To Do List that I had, didn't get much crossed off. In fact, if I'm to be honest with you, I think I just started my Week 3 list after how many weeks??? It was all too easy to say, "I'll do it next week." Sounds like a book

that my granddaughters love ... Goose Goofs Off. Not matter what's happening to Goose that day, she says: "I'll do it tomorrow." So now I'm trying to get back into the swing of things.

So much as happened, not just with the COVID-19, but also with the protests. At the risk of sounding like Ellen DeGeneres: Be Kind. Be Kind to the people around you. Maybe they don't look exactly like you but, Be Kind. Maybe people around you don't have the same beliefs ... Be Kind. Talk to them and you might be surprised to find that you do have some things in common... Be Kind. That's it for the month of July. Our stewardship theme is Be Kind. Reach out to others and give them a helping hand when they need it. Be Kind.

For all the reasons that we love St. Martin's – add Being Kind to that list.

Flu Prevention

Just in case you haven't heard: Wash your hands frequently ... Use hand sanitizer frequently ... Avoid touching your face ... Sneeze and cough into a tissue or your elbow ... Use a face cover if going out in public ... Avoid crowds and standing near others ... Stay home if you think you might be sick ... When in doubt consult with a healthcare professional.

As always, if you feel unwell or think you might be contagious, we encourage you to consult with your medical provider and stay home.

Ways to continue Giving

Here are some ways you can continue your support

- Try the old tried and true method - *snail mail!* That's right, mail your check in! (2427 Church St., Cross Plains, 53528)
- Drop off your contribution by using the locked box by the office door. No need to come in contact with anyone and it gets you out of the house for a few minutes. Someone will check this box daily.
- Contact your bank and ask them to help you with online banking. Most banks will send out a check as you direct them to. Most will even pay for the stamp!
- Try Give Plus. Yes, there's an App for that and it's FREE. Easy to use prompts help you get set up easily, quickly. There's no fee to you and a small fee to the church.
- Paypal -- We have PayPal set up on our website. You do not have to have PayPal account of your own.

-- Direct Deposit. Many of you already use this method. If you wish to set this up, contact our bookkeeper, Lois Weiland, by calling 608-220-3123.
