Update from The Committee: Restoring God's House

We are raising dollars needed to complete the upper parking lot consisting of paint lines and improvements, repairing and painting lines to the bottom parking lot, and paint the church.

The membership voted at the annual meeting in January, and we are responding to your vote to move forward and Restore God's House, our church from the recommendations from the property management committee.

The painting of the church took place this summer and came in under budget at \$12,430 and was paid for by the money that was set aside. This leaves us with a goal of raising \$54,000 to complete the upper and lower parking lot. We thank those that have already responded with your donations over \$10,000, now we need your help to fill in the gap.

The upper and lower parking lots are our avenue to welcoming our congregation and guests. For some, they drop off their Sunday school youth, for others they bring prepared meals for the homeless shelter (year round use), funerals, Boy Scout Troop & Overeaters Anonymous meetings, fellowship gatherings, weddings, confirmation meetings, cookie walk, regular Sunday worship and more. It gets used, and it's not safe.

We need everyone's help to make this happen. We are asking for you to pray on your contribution, make a onetime gift, or a monthly gift over the duration of 2017. We ask that you please reply with your pledge gift amount by December 31, 2016 so the committee and property management team can work on securing bids for spring 2017. Please make checks payable to St. Martin's Restoring Appeal, mail to the church or place in the basket during our Sunday service offering. Your gift qualifies for Federal/State tax deduction and you will receive a receipt.

Thank you for your support of restoring God's House, our church.

It will take everyone in our congregation, joining together to make this effort move forward.
