All adults (including high school students) are welcome to attend. If you have a Bible (any translation), please bring it with you, otherwise Bibles are available in the church library.

No pre-reading necessary, only an open mind and a willingness to talk and to have fun!

Christian Education Teachers!

St. Martin's Youth and Family Ministry Team has specific needs for those interested in working with our youngest children ages 3 through 4th grade.

We invite you to consider stepping up to teach for just three Sundays during the 2019-2020 school year. Consider these reasons:

- You'll become an instant hero to parents and kids.
- Kids will start waving at you in church.
- You'll become part of a team of new friends.
- Because we all really do have time for what's important and fun.
- Because there is no higher calling than helping raise up a new generation of disciples!

Skills required: The ability to read, a sense of humor, a caring spirit, and the love of God growing in your heart. For more information, contact any member of the Youth and Family Ministry Team; Lars Haskin, Karen Windels, Jenny Niesen, Jenni McCulloh, Redgy Nelson or Pastor Maggie.

Lars Log

Hello again St. Martin's! Lars here, back with another edition of Lars' Log. I hope everyone had a tremendous summer, and now it's the time of year to get church programming started again. Our Sunday School teachers were formally installed this past Sunday, and we surely hope to see your children join us every Sunday as we explore many different Bible stories and themes throughout the year.

This week on Thursday we will be starting Pre-Confirmation for our 5th and 6th graders, and we are looking forward to the different stories and activities related to our lesson topics. Pre-Confirmation takes place every Thursday evening at 6pm downstairs.

Our high schoolers are getting back into the swing of things a little bit more, and the subject of our 2020 Mission trip destination has begun. Our high schoolers meet every Sunday night at 6pm for good devotions, conversations, and a time for togetherness and fellowship.

The programming season has begun, and the Youth and Family Ministry team is beyond excited! Please feel free to contact me at yfm@stmartinscp.org if there are any questions.

God's Peace, Lars Haskins

SAVE THE DATE - OCT. 20th

Save the date for *Coffee with Council* coming up on October 20th after worship! More details to follow.

It was great to see everyone enjoy Rally Day!

What an awesome event!

Now that we've rallied the kids to back to school and are ready to kick-start the religious education programs at St Martin's, we need to rally around the financial needs at St Martin's. We've seen a decline in monthly giving which has resulted in our taking draws on our line-of-credit throughout the month of August. We've dipped into the line-of-credit to the tune of \$5,000 as of today and have additional obligations which will likely result in future draws very soon.

We are on the cusp of incredible changes at St Martin's and we need to see our receipts increase to help make it all possible.

Please review your last giving statement to see if you are inline with your commitment. If you find that you are, please consider additional giving to help balance our budget. We've come together in the past to recover from such deficits and I have complete faith that we can do it again! Thank you -- Gordie Esser, Church Treasurer.

September Note from Pastor Maggie

It's that time of year again when the days begin to shorten, there's a crispness in the air, and the coffee-shops put out their latest Pumpkin Spice creations. Fall is fast on its way, and with it comes another school year.

I love the start of a new school year because it is so filled with possibilities to reinvent yourself. Whether you are student yourself, know a student, or are an ageless student of life, now is the time to explore an unfamiliar path, learn new skills, discover something exciting, experiment with wild ideas. It's that newness, seeking out new ways of being and new ways of thinking, awakening our Spirit, that keeps us connected with how God is constantly at work in the world, forever creating and recreating. It keeps us young (at heart!) and full of life.

That's not to say that trying out new things is easy. Often it's the things we know we have to do, the big changes we have to make, that are hardest of all. It's hard to learn something different from what we've always thought or done, hard to unlearn old habits, hard to open ourselves up to strange people or ideas.

But there's Good News! We have the most important tool a student can have. More important than any pencil or calculator or eraser.

We have grace. We have the assurance of complete forgiveness. It's like an insurance policy. We have the amazing gift of being able to try and fail, already knowing that we are covered no matter what happens. No matter our mistakes, we are still loved and we can still try again. Moreover, as any science teacher will tell you about experiments, sometimes it's the failures that teach us the

most.

So, no matter your age, go out and be a student! Embrace new things and study what God has to teach you in the world. Experiment boldly, because God's grace has you covered.

Peace in Christ,
Pr. Maggie

Audio Visual (AV) Team Looking for New Recruits

Have you ever considered joining the St. Martin's AV team? If not, you don't know what you have been missing! It's a lot of fun and it's not nearly as intimidating as it looks. (Hint: we only use a few of the many bells and whistles on the sound board.) We control the sound during the services and also play Power Point slide shows and the occasional YouTube video. And on Maundy Thursday you get to dim the lights in the sanctuary at the end of the service. The commitment is for one time per month plus a few extra times during Lent, Easter and Christmas. You would receive ample training from friendly AV team members and would not be asked to "go-it-alone" until you feel ready. If you would like to see what it is all about, talk to James Hartung, Bill Windels or Jeff Postle. We can arrange for you to sit at the AV station with us to see if you are interested in learning more. *Thanks for considering this rewarding opportunity to serve!*

Give Plus

As an alternate way of giving, consider using the 'Give Plus' app on your cell phones (can be downloaded through your app store). Once on, do a search for St. Martin's Lutheran Church. Then follow the prompts.

Lower Level Doorbell

As school starts, please remember the lower level doorbell is **only** for use by *Little Red* staff and families of *Little Red* students. (They don't have staff to answer if you ring.)

All others must enter the church through the upper level door by the office.

Thank you!

This is intended to address any questions or concerns people may have for the Council.
