Important Meeting for Sunday School Teachers & Parents

To kick off our year of new learning for our Sunday School children, there will be an important meeting of all parents of children who are enrolled in Sunday School, and teachers on **Wednesday, Sept. 11th at 6:30** in the Fellowship Hall.

We will review the schedule for the 2019-2020 school year, and make any necessary changes. We will also discuss ideas to improve our rotation model, as well as preparations for the children's Christmas Program. The meeting should last no longer than an hour.

Sunday School & Pre-Confirmation Classes Begin NEXT WEEK!

Sunday School (for ages 3 through 4th grade) begins NEXT WEEK -- Sun., Sept. 15th. We will continue to use the Rotation Sunday School Model with teams of parents and congregants organized into teams of 3.

Pre-Confirmation Class (for kids in 5th and 6th grade) begins on Thur. Sept. 19th, with Lars and Pastor as lead teachers, accompanied by parent helpers. You may register your child(ren) for either Sunday School or Pre-Confirmation using the registration form located in the narthex or by downloading the form using the link below.

IronMan Race -- This Sunday!

Just a reminder as you leave church Sunday (after Rally Day events!) to be aware 'IronMan Wisconsin' will be in full swing! The swim portion (2.4 miles!) in Lake Monona will be over around 9:20am with the bike 'loop' in progress right after. In Cross Plains, riders will be heading along Bourbon Rd. (coming from Mr. Horeb via Garfoot and KP) on their way to P and Stagecoach towards Verona and another loop to Mt. Horeb. *If you drive in the area please use extreme caution* as roads could be very congested with riders and fans. If you get a chance, cheer on the bikers or catch them in Madison (after bike portion is complete) as they do a full marathon!

Welcoming All New Christian Education Teachers!

It's that time of year when St. Martin's Youth and Family Ministry Team is deep into planning fall programs for members of all ages. We have specific needs for those interested in working with our youngest children ages 3 through 4th grade.

We invite you to consider stepping up to teach for just three Sundays during the 2019-2020 school year. Consider these reasons:

- You'll become an instant hero to parents and kids.
- Kids will start waving at you in church.
- You'll become part of a team of new friends.
- Because we all really do have time for what's important and fun.
- Because there is no higher calling than helping raise up a new generation of disciples!

Skills required: The ability to read, a sense of humor, a caring spirit, and the love of God growing in your heart. For more information, contact any member of the Youth and Family Ministry Team; Lars Haskin, Karen Windels, Jenny Niesen, Jenni McCulloh, Redgy Nelson or Pastor Maggie.

Cross Plains Berry Historical Society Meeting - Monday, Sept. 9

The next historical society meeting will hold their meeting on **Monday, Sep 9 at 7pm** in the church sanctuary.

The speaker will be Charlie Luthin from the Sauk Prairie Conservation Alliance. He will speak about (and show a video of) the restoration work being done at the former Badger Army Ammunition Plant' to turn it into a green space for public use. He will also show a short video on the historic apple trees being saved.

If you have any questions, or would like to join the organization, please call Lyle "Doc" Esser at 608-798-2147. (Charlotte Esser, Sec.)

Bible Study Start Date

Bible Study with Pastor Maggie will **start on Sept. 15th**, the same day Sunday school starts. The survey results are in and we will be studying the Acts of the Apostles, meeting weekly this fall every Sunday after worship at 10:30 in the library. All adults (including high school students) are welcome to attend. If you have a Bible (any translation), please bring it with you, otherwise Bibles are available in the church library. No pre-reading necessary, only an open mind and a willingness to talk and to have fun!

Save The Date!

"*God's work. Our hands,*" an ELCA day to serve our neighbors, is **Sept. 29th** at St. Martin's. A variety of volunteer opportunities are available.

Sign up today at the “God’s work Our hands” Rally Day table. Pre-ordered T-shirts, can be picked up from the table.

September Note from Pastor Maggie

It’s that time of year again when the days begin to shorten, there’s a crispness in the air, and the coffee-shops put out their latest Pumpkin Spice creations. Fall is fast on its way, and with it comes another school year.

I love the start of a new school year because it is so filled with possibilities to reinvent yourself. Whether you are a student yourself, know a student, or are an ageless student of life, now is the time to explore an unfamiliar path, learn new skills, discover something exciting, experiment with wild ideas. It’s that newness, seeking out new ways of being and new ways of thinking, awakening our Spirit, that keeps us connected with how God is constantly at work in the world, forever creating and recreating. It keeps us young (at heart!) and full of life.

That’s not to say that trying out new things is easy. Often it’s the things we know we have to do, the big changes we have to make, that are the hardest of all. It’s hard to learn something different from what we’ve always thought or done, hard to unlearn old habits, hard to open ourselves up to strange people or ideas.

But there’s Good News! We have the most important tool a student can have. More important than any pencil or calculator or eraser.

We have grace. We have the assurance of complete forgiveness. It’s like an insurance policy. We have the amazing gift of being able to try and fail, already knowing that we are covered no matter what happens. No matter our mistakes, we are still loved and we can still try again. Moreover, as any science teacher will tell you about experiments, sometimes it’s the failures that teach us the most.

So, no matter your age, go out and be a student! Embrace new things and study what God has to teach you in the world. Experiment boldly, because God’s grace has you covered.

Peace in Christ,
Pr. Maggie

Audio Visual (AV) Team Looking for New Recruits

Have you ever considered joining the St. Martin's AV team? If not, you don't know what you have been missing! It's a lot of fun and it's not nearly as intimidating as it looks. (Hint: we only use a few of the many bells and whistles on the sound board.) We control the sound during the services and also play Power Point slide shows and the occasional YouTube video. And on Maundy Thursday you get to dim the lights in the sanctuary at the end of the service. The commitment is for one time per month plus a few extra times during Lent, Easter and Christmas. You would receive ample training from friendly AV team members and would not be asked to "go-it-alone" until you feel ready. If you would like to see what it is all about, talk to James Hartung, Bill Windels or Jeff Postle. We can arrange for you to sit at the AV station with us to see if you are interested in learning more. *Thanks for considering this rewarding opportunity to serve!*

Give Plus

As an alternate way of giving, consider using the 'Give Plus' app on your cell phones (can be downloaded through your app store). Once on, do a search for St. Martin's Lutheran Church. Then follow the prompts.

Lower Level Doorbell

As school starts, please remember the lower level doorbell is **only** for use by *Little Red staff and families of Little Red students*. (They don't have staff to answer if you ring.)

All others must enter the church through the upper level door by the office.
Thank you!

This is intended to address any questions or concerns people may have for the Council.
